## Sako trg-22 Bolt Action .308 Rifles

£ 1,600

### Description

Sako TRG-22 .308 - Here we have a lightly used Sako TRG - she has had a custom bolt handle put on but still has the original in the box, she also has a SPUR mount fitted ready for a scope and comes with the SAKO muzzle brake but included is a DPT moderator with titanium 1st baffle - she also has some extra rails and bipod mounts fitted - she will make a very good high end target rifle at a very cheap price ! She is in as new condition having only fired a hand full of rounds from new - these guns are over £4000 new !
