## German made STG 44 STG44 Sturmgewehr 44 Straight Pull 7.92 mm Rifles

£ 4,800

### Description

German STG-44 Sturmgewehr 7.92x33 Kurz - Straight Pull We are incredibly pleased to offer: \*The StG44, or Sturmgewehr 44, the ultimate development and without a doubt Schmeisser's most important design, leading almost directly to Kalashnikov's AK47 and many other modern firearms. These rifles are all specifically manufactured as UK section 1 straight-pull and are chambered in original 7.92x33 Kurz. Each rifle is made from all new hand-crafted parts in Bavaria, Germany to the original specifications so they look and shoot just like the originals -but in straight pull! Made on original tooling ! These rifles are the closest you can get to owning an original example of these historic firearms and is definitely one for the collectors! Yes original parts interchange with these guns they are to original specs with no modern alterations. Additional magazines (30 round): £250 (must be ordered with rifle) 7.92x33 Kurz brass £60 x 100 To place your order call us, pay for your gun and then once they arrive in the UK we will contact you to collect your rifle.
