Walther Reign Bullpup Rifle .22 Air Rifles

£ 799

Description

177 or 22 - IN STOCK This compressed air rifle is a real eye-catcher. The short bull-pup construction alone make sit stand out from the crowd. But when you hold the Walther Reign in your hands, its real uniqueness reveals itself; First of all, the light weight impresses. The high quality aluminium components made of high-strength aluminium are immediately noticeable. The rifle's surface has a masterful grip texture in all the right places. When you pull it into your shoulder it becomes one with your body. Its operation is so smooth and comfortable that you can locate and operate the cocking lever without losing sight of the target - whether you're left handed or right handed. Light, short and easy to handle, the Walther Reign is ideal for pest control, small game hunting or target shooting. Its technology, style and precision are so convincing it's no surprise the first bull-pup rifle developed and built by Umarex is Made in Germany. 11 round magazine in .177 and 10 round in .22 687mm in length Weighs just 2.5kg 16J / 12ftlbs maximum energy and power.
