Ross M10

£ 400

Description

Ross Rifle M10 . 303 Stock Here we have a newley made Ross stock for the M10 rifle, this is a custom hand made stock made from walnut she is complete with top hand guard including metal fittings. She also has replica cartushes stamped into the butt as per the orignalals. This stock was made on a repicator jig copied from an original stock and then hand finished in canada but will need final fitting to your rifle - this will mostley be fine sanding to make barrel bands fit etc then a re oiling with linseed oil As you can see this is a beautiful stock so if yours is damaged now is your chance to buy this replacment - no one makes these anymore this was a 1 off custom made stock for the Ross rifle M10 .303
