## Pietta 1858 Army Target Stainless 8" Muzzleloader

£ 350

### Description

Pietta Remington 1858 Army Target Stainless 8 Barrel Black Powder Revolver 44cal Here we have a fantastic black powder revolver WITH target sights, she is an X demo gun in as new condition - WOW a very accurate gun that you can stick in the dishwasher after shooting :) fun and easy to use ... An exceptional quality reproduction of the Remington 1858 New Model Army, except that all metal parts but the trigger guard are manufactured from corrosion resistant stainless steel and with a blued steel barrel, cylinder and frame. The trigger guard is made of brass and the grips are polished walnut. This revolver is fitted with fully adjustable target sights making it a favourite with match target shooters.
