remington 700 AI custom Bolt Action .308 Rifles

£ 1,800

Description

Remington 700 CUSTOM ! .308 in an AI AX folding chasis system This amazing rifle is a 26" stainless steel fluted screw cut barrel with jewelled bolt, tactical bolt knob, comp trigger and Vortex 6-24x50 scope with mounts and rail and spirit level for that perfect shot ! She comes with a 5 shot mag but can be fitted with a 10 if needed - she is in near mint condition and has done little work - a very very nice long range rifle at an amazing price ! We also have a predator Evolution mod which we can include for £150 extra if you wish !
