## Browning a bolt Bolt Action .223 Rifles

£ 450

### Description

Browning A bolt .223 Here we have a browning a bolt rifle in .223 thats hardly been used - she has a heavy fluted varmint barrel thats screw cut for a mod ( mod included ) The stock unfortunately has "gone tacky" a know problem with this rifle where the surface of the stock starts to break down and go sticky - it wont stop the rifle working of cause and can easily be re stocked so we are selling this rifle off cheap to allow plenty of room for someone to do this
