Carl Gustav 63E Target Bolt Action 7.62 mm Rifles

£ 300

Description

Carl Gustav 63E 7.62x51 / 308 - Here we have a quite rare dedicated target rifle built by Carl Gustav. This is not converted but built in this calibre originally - it has a Parker Hale PG5c sight fitted - the bore is good, bright, shiny with good lands and grooves and shoots very accurately with GGG ammo - bargain price for such a rare old gun.
