Lee Enfield No4 Mk2 Bolt Action .303 Rifles

£ 2,500

Description

Lee Enfield No4 Mk2 .303 - 1954 NEW SEE VIDEO BELOW Here we have a 1954 Fazakerley lee enfield just out of grease - She has been proofed and is ready to go ! A very rare rifle now and hard to find in this new condition - She is all matching, bolt, mag, rifle and stock - she has only fired 1 proof round... She will make an amazing target rifle Why so expensive ? These guns have come from the USA, from auction where they go for a HIGH price as they are highly sought after. Then we have shipping to the UK, VAT, IMPORT DUTY, TAX then they have to go to proof, be unpacked cleaned of grease and prepared for sale - more costs ! Then the cost of advertising, storage and insurance and then when sold good old VAT - all this adds up im afraid so if you want a NEW unused super rare lee enfield this is what it costs im afraid.
