Remington PCR Bolt Action .308 Rifles

£ 1,449

Description

NEW Remington 700 PCR . 308 SYSTEMATICALLY ELEVATING THE WORLD STANDARD FOR ACCURACY. More than a rifle, a fully optimized system that'll stretch your effective range and shrink your groups like no other production rifle in the world today. The all-new Model 700 PCR (Precision Chassis Rifle) pairs the strongest action ever conceived – our legendary Model 700 – with an exclusive aircraft- grade aluminum alloy chassis of unmatched rigidity and atmospheric immunity to create the most stable and consistent platform possible for launching long- distance shots. It's a potent combination made even more effective with a host of accurizing upgrades that include a 24" barrel with 5R rifling, free-floated in an aluminum handguard, plus a completely user-configurable Magpul PRS Gen 3 stock for the ultimate in comfort from any shooting position. Its sub-MOA accuracy is confirmed using our advanced CATS (Computer Aided Targeting System) before it ever gets to you. But the best part is confirming its tack-driving superiority for yourself. Available in three popular long-range chamberings including 6.5 Creedmoor, 308 Win, and 260 Remington.
